

Calolziocorte, 10th September 2012

We are glad to share with you some moments of PODIO FERRARI 2012 held last Wednesday May 9th 2012, where President Walter Fontana and Coo Ing. Vincenzo De Ferrari were invited to represent our company FONTANA PIETRO.

The "Cavallino" printed on the pass underlines a strong partnership.

The constant presence of the President Avv. Luca Cordero di Montezemolo and of the whole Ferrari Team stressed how important this event was to the Company to talk about their future aims.

The participation of our Company at this prestigious event, where all key partners of the historical Maranello car-company regularly sit together, represented a further consolidation step of the strategic role played by FONTANA PIETRO S.p.A. in the partnership with Ferrari.

The presence of the F1 drivers confirmed the importance of technological level of communication between sport and street vehicles.
