The partnership between Ferrari and Fontana Pietro is stronger.

Also this year, as an established tradition, Fontana Pietro was invited to the Motor Show of Frankfurt 2013 for the introduction of the new **Ferrari 458 Special** to the international press.

President Walter Fontana took part to this prestigious event, which has consecrated our Company as a Ferrari's "**Key Partner for Excellence**".

Special thanks go from our President to all those who work with pride and devotion everyday, committed in the realization of these successes.
