## Die & Mould China 2008

### Fontana Pietro s.p.a. at the Shanghai Exhibition

Dear Madams and Sirs,

From May 12th up to May 16th, 2008 Fontana Pietro s.p.a. will be at the famous Shanghai DIE & MOULD CHINA 2008 Exhibition.

On the occasion of one of the industry greatest worldwide exhibition, we will be present to offer our services in China, where our Group boasts a well-established presence for almost fifteen years.

From 1993 we have been providing local Companies and European Automotive Companies the following services:

- Engineering for the automotive industry (die process development, surfaces and design)
- Technical assistance for local die manufacturers
- Project management for both local manufacturers and automotive companies intending guarantee high quality standards and terms conformance
- Supply of dies manufactured in Fontana plants in the world

We are glad to invite you from **May 12<sup>th</sup> up to May 16th** at the **Shanghai New International Expo Centre, Stand N° D 035**.

Should you be interested, you can contact us at the address [pm7@fontana-group.com](mailto:pm7@fontana-group.com) to receive the original invitation enclosed below.
